LB 613

leisure. I never thought I'd see the day when Larry Bare would be skulking around the halls with his head down, every time we make eye contact he looks away and acts like he's done something wrong, running little boy errands, doing dirty work. And I wrote a recommendation for him, at his request, so he could get a job with Mayor Johanns when Johanns was the mayor, and now he's been reduced to Gunga Din type blowing the trumpet. So there are certain bills which are not going to have the opportunity to go anywhere this morning and LB 613 is one of them. Under ordinary circumstances, it would be a different situation. But you know what I was told? That...

SPEAKER KRISTENSEN: One minute.

SENATOR CHAMBERS: ...politics, even if we have no indication after our name, will be in place. I have a light on for the Page. Maybe it's not showing up. Oh, thank you. He was so courteous and unobtrusive and approached me from the blind side that I didn't even realize he was there, so I don't want you to think I was ignoring you. I really didn't know you were there. Brothers and sisters, we may as well just settle in and enjoy ourselves, but what I would suggest, since you don't know precisely what I'm going to do, that those who have bills on this list...well, my time is probably up on this one, but I have a motion, so I will complete what I was going to say on my motion.

SPEAKER KRISTENSEN: Time. Mr. Clerk.

CLERK: Mr. President, Senator Chambers would move to indefinitely postpone the bill. Senator Baker, you'd have the option to lay the bill over at this time.

SPEAKER KRISTENSEN: Senator Baker, do you desire to take the bill up or lay it over?

SENATOR BAKER: I would like to take it up. This...if...may I speak?

SPEAKER KRISTENSEN: Thank you. That's fine. We'll take the measure up.
